

Mountain-Pacific

Quality Health

July 27, 2017

Mountain-Pacific Quality Health Foundation – Hawaii office has an opening for a full-time quality improvement account manager position whose primary responsibility is supporting a variety of provider settings (nursing homes, physician practices, hospitals) and healthcare systems with clinical quality improvement activities as directed by the Centers for Medicare & Medicaid Services (CMS) and other federal contracts. Candidates with operational work experience in nursing homes and acute hospitals are desired. Specialized training will be provided as appropriate based on project needs.

Come join our healthcare improvement team in advancing the adoption of clinical quality improvement processes in a diversity of provider settings. Bachelor's degree in nursing, public health, health care administration or equivalent is required. Three years' experience in quality improvement and facilitation is required. Data management and statistical experience desirable.

Excellent salary and benefits. Apply and submit resumes online at www.mpqhf.org. EEOE
