

Mountain-Pacific Quality Health is the Quality Innovation Network-Quality Improvement Organization for Hawaii, the U.S. Pacific Territories of Guam, American Samoa and the Commonwealth of the Northern Mariana Islands, Montana, Wyoming and Alaska. We hold state and federal contracts that allow us to oversee the quality of care for Medicaid and Medicare members. If you are interested in making a difference in the lives of consumers and providing solutions for better health to our communities, with new tools and ideas that will help build long-term, sustainable improvements in health care, please submit your resume for the Director of the Hawaii Office position located in Honolulu.

This position is responsible for managing all contracts held by Mountain-Pacific in Hawaii and the territories including the federal quality improvement contract which includes the development of relationships with groups and agencies that work with Medicare beneficiaries and other health-related organizations. This position plays a critical role in establishing and maintaining client relationships and developing new business. The Hawaii director supervises a staff of health care professionals who provide clinical and quality improvement guidance to hospital staff, physicians, nursing home staff and others in the achievement of quality initiatives. This position requires a Bachelors Degree in business or related health care field. Prior work experience in a hospital or health care industry is preferred.

Mountain-Pacific provides excellent benefits and a flexible work environment. Apply online at www.mpqhf.org or e-mail resumes to bflynn@mpqhf.org. EEOE
